

3Cs and 3Ss Question Card and Dice

How to play the game

- To play the 3Cs and 3Ss game, stick the dice template to a piece of card, cut it out and assemble the cube.
- Roll the dice and challenge your friends with a question from that C or S category.
- If you don't want to print anything out, you can use an ordinary dice and assign each of the Cs and Ss a number, for example one = colour, two = setting and so on.
- If you don't have a dice you can create a lucky dip by writing each of the Cs and Ss on six pieces of paper, so that you have 36 pieces, and place them in a hat for people to pick from.
- Alternatively, you could also print out and cut up the question card, and place the questions in a hat to create a question lucky dip.
